Elvis Karemi Nyaga, MTC, CPA(K), CIFA

Elvis Karemi Nyaga is a seasoned Management Consultant, Tax Specialist, Fund Manager, and Certified Public Accountant (CPA-K) with over a decade of experience advising businesses on accounting, taxation, corporate finance, investment strategy, and business transformation.

Holding a Master's Degree in Tax Administration, CPA(K) qualification, and Certified Investment and Financial Analyst (CIFA) credentials, Elvis has established a reputation for delivering practical, results-oriented solutions that help organizations navigate complex financial, regulatory, and operational challenges.

His professional experience spans financial services, technology, real estate, logistics, retail, creative industries, professional services, and SMEs, where he has successfully supported businesses in optimizing tax positions, strengthening financial controls, enhancing compliance frameworks, improving operational efficiency, and driving sustainable growth.

As a founder, board chair, director, and fund manager within Kenyan-owned enterprises, Elvis possesses extensive expertise in investment planning, portfolio management, capital structuring, corporate governance, and financial stewardship. He has played a strategic role in establishing lending institutions, developing fund structures, implementing financial reporting systems, and supporting organizations through growth, restructuring, and regulatory compliance initiatives.

An advocate for innovation and digital transformation, Elvis leverages modern accounting technologies, cloud-based systems, data analytics, and Artificial Intelligence (AI) tools to streamline processes, enhance decision-making, and deliver measurable value to clients. His multidisciplinary approach combines technical excellence with commercial insight, enabling entrepreneurs, investors, boards, and growing businesses to make informed decisions and achieve long-term financial resilience.

"Building a business is not about being the best at something; it's about being the best at learning and adapting."
